❄️ HOLIDAY BOUTIQUE ❄️ JUST FOR OUR KIDS!

November 19th - 21st

*With a Shopping List & Budget in Hand,
Your Kids Can Shop All by Themselves!*

Our Annual Holiday Boutique is always a favorite of our students. It's not Macy's, but it is a safe, kid-friendly, affordable "boutique" where kids can shop on their own for parents, grandparents, and friends – with most items \$1 - \$5. Parents will have an opportunity to prepare a shopping list and budget for their child while volunteer "elves" will help them shop and "wrap" their gifts in special gift bags.

Parents – you're welcome to help supplement our merchandise by donating products, handmade gifts and crafts. Handmade soaps, candles, jewelry, knitted scarves, and holiday ornaments are always popular. If you have a talent you wish to share and/or items you wish to donate, or if you want to volunteer to work, please contact Nancy Malone at malonemalone@att.net. Volunteers can also sign up at the November PTA/FFS meeting. More information will be sent home the week prior to the boutique.

From the Principal's Desk

Dear Parents,

Parent-Teacher conferences are one of the best opportunities to establish clear home-school communication. The Stevenson staff appreciates the opportunity to work closely with parents to effectively support the personal growth and learning of each student at school. At the conference, teachers will focus on fostering strong parent-teacher partnerships, sharing both parent and teacher information regarding each student, asking clarifying questions, reviewing student progress, and setting appropriate learning and personal development goals.

Conferences must take place during a very limited amount of time, approximately 20 minutes. Your child's teacher will come to the conference prepared to share specific information with you about your child's academic and social growth. It is important that you come to the conference ready to take notes and to share pertinent information with your child's teacher. If your child has been included in the conference, it is important that he or she has spent time with you reviewing his or her efforts thus far, with some academic and social goals in mind. Here are some helpful tips for a successful conference with your child's teacher:

Before the Conference

- Sit down with your children and ask them to rate their academic progress in each of the subject areas. (reading, math, social studies, science)
- Emphasize with your child that teachers don't just give grades; students earn them.
- Did they turn in all their homework?
- What were their grades on class work and tests?
- Did they actively participate in class discussions?
- Ask your child if there is anything that has been interfering with their learning.
- Remember to record all this information and then take it with you to the conference.

The Clothing Drive!

A big thanks to all those who participated in our clothing drive! **Whether you donated clothes or purchased clothes, you helped to contribute a total of \$135!** Proceeds from the sale were donated to our school office for stamps, supplies, etc. Now instead of taking money out of their own pockets for stamps and other items, the ladies in the office can use the money from all of you! The clothes that were not sold were donated to the Burbank Temporary Aide Center in the name of the kids from Stevenson Elementary School.

Isn't it amazing how much big can come from just a little bit of effort?

At the Conference

- Remember this is just one of many conferences for the teacher. PLEASE BE ON TIME.
- Listen carefully to everything the teacher says and take notes for future reference.
- If you don't understand something, ask to have it explained.
- Share any concerns you may have about your child's ability, academic progress, and social growth.
- Ask for suggestions for things you can do at home to help your child.

After the Conference

- Talk with your child about the conference. Share any positive comments the teacher made. Let your child know how proud you are of him or her!
- Follow up with any suggestions you and the teacher agreed upon.
- Be sure to call the teacher any time you have a question or concern.

~Debbie Ginnetti, Principal

PTA President's Message

It just gets better and better!

If you were one of the many that attended this year's Boo Bash you know exactly what I am talking about. **What an amazing turnout we had!** The kids, parents, teachers and staff were all having a blast and can't stop talking about how great the Boo Bash was.

Unfortunately I don't have enough space here to thank every single person individually that played a role in making the Boo Bash the success it was! However, I would like to give giant props out to Tiffany Bakas and her amazing committee (you all know who you are!), the room reps, the volunteers, our amazing photographers, the dads who helped out with the BBQ and Edgar (our evening custodian). This event would not have been a success without you all!

R.L. Stevenson Elementary School and the Burbank Unified School District are participants in "The Great Southern California ShakeOut which will take place on November 13th. For additional information on this event please visit www.shakeout.org.

Ask yourself... Do you like the way cotton feels on your skin or the way a nice cap shades you from the sun? Well, if your answer is yes to either or both of them we have a solution for you – Pirate Gear! **Yes, we have new Pirate Gear on board now... t-shirts, ringers, jersey shirts, hoodies, and caps (which the students will be allowed to wear to school here at Stevenson).** As you all know, Fridays are "Spirit Days" here at Stevenson and what better way to have them wear school colors then to purchase official Stevenson Pirate Gear! Keep your eyes out for Pirate Gear information and price sheets in your child's folder or contact me directly if you want a form now.

This month's PTA/FFS meeting is November 13th @ 7pm – we look forward to seeing you there! Please continue to let me know how we can constantly improve your experiences and your child's experiences here at Stevenson. And remember, if you see me around town or campus, feel free to stop by to chat and/or introduce yourself.

Feel free to call (or email me) anytime and I look forward to making a difference – with your help! (818) 726-2285 / wilson419@hotmail.com

Cheers, *Rick Wilson*

The Choices We Make

Dear Stevenson families,

In addition to my duties as FFS President and PTA Corresponding Secretary, I have also been asked to deliver the "Inspiration" at each meeting. I've always collected quotes, so this isn't too difficult a task for me, but this month I found myself struggling a bit. Given the current state of our nation's economy, it's hard to find many quotes that are inspirational without sounding cheesy or trite. Until I came across this one by Carol Pearson:

Focusing our attention – daily and hourly – not on what is wrong, but on what we love and value, allows us to participate in the birth of a better future, ushered in by the choices we make each and every day.

As parents and care-givers, we are shaping the future of this world and it is up to us to insure that it is a better future. Each day we have a choice to make – let the news of the day get us down OR focus our attention on what we love and value. We can allow fear and anxiety to consume every moment, OR we can take a few moments to see the wonder and hope that shines in the eyes of our child. We can choose to accept state budget cuts, OR we can choose to raise the money our school needs to offer dance and arts instruction. No, I can't solve Wall Street's woes with a cheesy, inspirational quote, but I can help my child learn how to dance, draw, sculpt, and sing. So can you. And there's nothing trite about that.

Lunchtime Football at RLS

Well, the weather is finally cooling down and lunchtime football is underway at Stevenson. The program launched by the Wellness Committee last year provides the opportunity for senior students to experience the game of touch football in a fun and safe environment under the supervision of our volunteer parents.

Coaches Rick, Paul and Jena return from last year and we are especially pleased to add Stevenson Dads Jason and Earl to this year's crew. We will meet every Thursday at lunch until further notice and look forward to teaching students some basic skills while playing a friendly but competitive game of touch football. The photos below were captured at a recent session.

Stevenson Elementary Needs You!

Thanks to everyone who helped make our Boo Bash such a wonderful event! This event would not have been possible without all of the time, money, and supplies that were donated by our Stevenson families. Thank you!

Of course, our school needs your help and support throughout the school year. Please consider these opportunities to get involved....

Disaster Drill Emergency Supplies Needed & Committee Openings!!

2 NEW pop-up tents needed for our disaster supplies

- If anyone wants to donate a tent, or donate money specifically towards purchasing them, please let us know ASAP. (You can send money to the office, please place it in an envelope marked "pop up tents." Checks should be made out to "Stevenson PTA.")
- Please note that these tents must be stored with our disaster preparedness supplies - we cannot utilize the tents from our kindergarten yard.

Disaster Preparedness Committee Members Needed

- We need a few more parents to help check and update all of our emergency supplies and disaster bins ASAP. If you are interested, please respond contact Rick Wilson, PTA President at wilson419@hotmail.com. Rick and David Mendelsohn are overseeing this effort, but we could use another co-chair!

Playground Shade Fund-raising & Sun Safety Committee

If you've ever been on our yard on a hot day, you know how desperately we need to install shade structures over our equipment! However, these structures are very expensive. We still need a few more parents to serve on this committee. We are ideally looking for someone who has experience writing grants (or is willing to learn). (This is something you can do on your own time, after school & work hours.) If you are interested, please contact Carrie Brown, FFS President at carriebrown1@earthlink.net or 818-415-2254.

Talent Show Chair/Co-Chair & Committee Members Needed

Our annual talent show ONLY happens if we have a committee of creative, dedicated parents. If we do not have enough volunteers, then we cannot have a talent show. This is a PTA sponsored event, not a school or district production. Parents, please help us keep this wonderful, rewarding tradition going strong by volunteering today. We are in great need of a Committee Chair / Co-Chair who is an organized leader, preferably with some directing or production experience. If you're interested, please contact Jessica Good at ingoodco@me.com

Other Committee Openings include:

- Bulletin Boards
- 5th Grade Field Day (5th grade parents)
- 5th Grade Promotion (4th grade parents)
- Legislation

If you are interested in helping in any of these areas, please contact Carrie Brown at carriebrown1@earthlink.net or Rick Wilson at wilson419@hotmail.com.

Boo Bash what a Sp00tacular Success!

This year I am overwhelmed with happiness at how many new faces and friends we had helping at this event. I really want and need to thank everyone I can possibly remember and if I forgot anyone I am SUPER SORRY! WOW- I don't even know where to begin! But I will try and get it out all in one sentence for you- Starting with the "Stevenson Witches"- **Maxine, Denise, Jennifer, Kim, Diane, Felicia, Jennifer J, Kavita, Laura, Jessica, Carrie, and Vickie** who spent many Weds afternoons planning the event and many hours pulling it all together, to all the **ROOM REPS** who worked so hard, to the faithful "**Grillin' Dads**", across to the volunteers who "served their Time" at their booth and to the dedicated crew at the **Monster Make Over** (especially **Daniela**), to the **Cake Walk** crew and to the cake bakers (especially **Judy**), to **Games** (especially **Denise**), to **Cake Contest** (especially **Vickie, GERALYN and Emily**), to the **Boney Bob's Die-Ner** crew (especially **Maxine, Kavita and Ms. Lavitt**), to the **Photo Booth** crew (especially **Danielle**) to **Kim and Vinnie** for making things happen, to the **teachers** with all their clever art projects and Jack-o-lanterns, to the readers at **story time** and **Tish** for arranging it, to my "**pockets ladies and dude**", to **Tom Cain** for all his awesome work on signs and many other things, to **Felicia** who did tons of pre-work, to **Carrie** for "M-Cing" all night among the other things she did, to **Jennifer Jesperson** for her decorating and leading the decorating crew, to the many other people who donated their time to make things-**Jessica, Melissa, Tina, RRs**, and to the people who came and help set-up (especially **George, Scott, David, and Rick**), right down to the people who quietly stayed after and took down that maze and to the not so quiet (in a good way) people who cleaned up, **De** for taking fantastic candid photo shots, and not to forget the **STUDENTS** from Jordan and Burroughs (thanks **Jennifer Auproux** for recruiting most of them!), to **Nancy** for picking up the **glow sticks**, to **Sandi** for bringing the **bean bag game**, to all the people who brought us coolers or equipment to borrow, to **Stephanie**, to **Renee**, to **Sharon**, to **Sheyenne**, to **Shannon**, to **Denise Rayl**, to **Carlotta**, to **Andy**, to **Harley**, and to the very important Photographers **Noel and Ali Aragon** with **Peace 4 ART** who gave us those AWESOME photographs, and **Create-A-Bear** - I'd like to say **THANK YOU!!!** Oh wait! I forgot a lot more! To **Portos** for donating an AWESOME cake and **Bernadette** for picking it up, to the **FIREMAN** who delivered the **pumpkins** and purchased them, To **Maxine's "mysterious city employee friend"** who got the fireman to deliver the pumpkins, to the wonderful array of people who donated gift cards, donated their time, donated items or money (special thanks to **Lana**), to **my mom** who made the

“Pocket lady” costume, to **Lowes** and **Smart and Final** for giving us product at a discount, to **Albertsons** for donating product, to **Cinema Vehicles** for donating the big light and my husband **Tom** for picking them up, to **Glenn Corbett** at- **AT POWER** for giving us deal on lights and **Jessica** who arranged those lights, to **Ralph’s** for donating \$20.00 and **Sandy** who got it for us, to the **Missionaries** (very cute boys) that came and set up the maze and of course **Vinnie** who lead them, to **Jennifer Sprow** who did the final touches on the maze and **Jacqueline**, to our “runners” of the event who went many times picking up needed items, to **Earl** who picked up The **BBQ and Hay**, to **Westminster Presbyterian** who loaned us the BBQ, to **Jennifer and George** for getting us the tables and picking them up, to **Debbie** for sorting books even when she was sick, to her helpers and to the people who donated all those books, to the office staff for putting up with all the clutter and craziness, to **Miss Ginnetti** and **Patricia** for counting all that money all night long, to **Edgar and Oscar** for cleaning all the craziness up, to our **pizza man Jim** for making sure the pizza was delivered all night long, and of course the rest of the **pizza “slingers”**, to the people who I so rudely but innocently have momentarily forgotten, **THANK YOU!!!** WOW- That felt like an OSCAR speech! But, where’s my “OSCAR”? (Wink*Wink) It takes a lot of people to make spectacular things happen and I think this year’s Boo Bash was Spectacular! I hope you all felt the same way and enjoyed yourselves! Last year we only had maybe 10 people and a few husbands helping (not including the cleanup crew). This year I counted over 90 people who helped us in some way! We just wanted to double the money we brought in last year which was only \$1,600.00 (and we were happy with that)! But, this year we didn’t double it, we tripled it!!! **We made \$4,805.55.** That’s Spootacular! Now we all just have to cool down relax and then we can get to work on the **STEVENSON ROCKS!** YIKES! Believe me it will be here before we know it!

TIPS FROM THE SCHOOL NURSE: HELP KEEP YOUR CHILD HEALTHY AND FLU-FREE

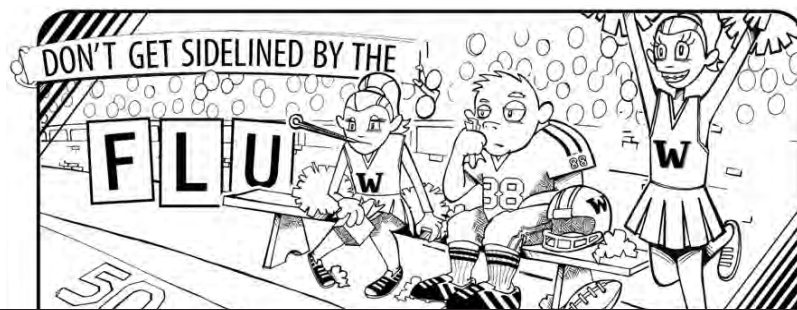

With flu season upon us, it is important that we work together to keep our children healthy. Viruses spread easily among children in schools, and families with school-age children have more infections than others, with an average of one-third of these family members infected each year. By keeping our children flu-free, we benefit the community as a whole. You can help prevent the spread of flu or help your child get better if he/she does get sick by following a few simple steps:

- If possible, you and your child should get a flu shot
- Remind your child to cover his/her nose and mouth with a tissue when sneezing or coughing and dispose of the tissue immediately
- Have your child wash his/her hands frequently with soap and warm water for at least 20 seconds
- Disinfect frequently-touched surfaces and shared items at least once a day
- Ensure that bathrooms are stocked with soap, hand towels and tissues
- Teach your child not to touch his/her mouth, nose and eyes
- If your child is sick and has a fever, keep him/her at home to prevent the spread of illness to others

If you are concerned about your child's flu symptoms, call your doctor early. Call your doctor immediately if your child has a chronic disease. Common symptoms of flu include high fever, severe headache, muscle and body aches, exhaustion, and dry cough. Additionally, children often exhibit other flu symptoms that are rare in adults, such as nausea, vomiting and diarrhea. Some children might benefit from an antiviral medication, which can be prescribed by a physician and can help lessen duration of the virus and reduce the risk of complications, such as pneumonia. To be effective, antiviral medication should be taken within 12-48 hours after flu symptoms begin.

Additionally, as a preventive measure, antiviral medication may be administered to children under a doctor's care to help them avoid catching the flu from others in some special situations. For example:

- Children who have egg allergies and therefore cannot receive flu vaccine
- Children who have been vaccinated, but are at such high risk for serious complications due to a chronic condition, that extra protection is warranted
- Children who may not have received a vaccine but are exposed to flu
