**FAMILIES FOR
STEVENSON
BOOSTER ASSOCIATION**

Families for Stevenson (FFS) – Stevenson Elementary's booster club – is comprised of parents, their families, and members of the community who want to make our school the best it can possibly be by enriching our children's education. **Without your ongoing support, these dance and art programs will cease to exist!**

Our children are the future of the entertainment industry as we know it today! Families for Stevenson raises money to bring The Arts into the classroom. The Arts help our children develop literacy skills such as reading, writing, speaking AND listening. The Arts teach creative thinking and problem solving. Current research has proven that arts education can play a critical role in a child's academic and social development. Test scores are higher when children have the opportunity to study The Arts.

WE NEED YOUR HELP!

If you own or work for a business that would like to support The Arts in the classroom here at Stevenson, please help us today! If you can help us meet our mission by writing a check to support one of these programs, or would like to donate an item or service for our spring 2010 Stevenson Rocks! concert & silent auction, contact:
